Description :

PDF-5ace7 | Cultural Writing. Biography. Adelbert Ames, Jr. (1880-1955) was the creator of some of the most memorable scientific demonstrations of the 20th century. He created rooms where small children tower over their parents, demonstrations where playing cards and cigarette packs and matchbooks seem to change size and position in the blink of an eye. These demonstrations, dazzling and delightful as they ar... *Adelbert Ames, Jr.: A Life of Vision and Becomingness*
