Description :

PDF-fa793 | The art of intuitively accessing information in ways that expand the boundaries of ordinary reality has been called the world's "second oldest profession." In some cultures, power and authority are bestowed on those with such special abilities. Recent polls estimate that over 50 percent of the population believes or has an interest in psychic ability and related phenomena. Another 25 percent feel ... *Akashic Who's Who: Of Psychics, Mediums, Healers and More!*
