Description :

PDF-63136 | William O. Field is recognized by many as the father of modern glaciology in North America. His life and work are the subject of this oral biography, told to and compiled by Suzanne Brown. In his own characteristic voice, Field narrates his life--but in addition to words, he speaks through his camera, which was a tool both of his important scientific contributions and of his instinctive ability to... *With a Camera in My Hands: William O.
