Description :

PDF-874be | The life and work of Ignaz Semmelweis is among the most engaging and moving stories in the history of science.

Childbed Fever makes the Semmelweis story available to a general audience, while placing his life, and his discovery, in the context of his times. In 1846 Vienna, as what would now be called a head resident of obstetrics, Semmelweis confronted the terrible reality of childbed fever, which... *Childbed Fever: A Scientific Biography of Ignaz Semmelweis*
