Description :

PDF-4e9c5 | Three days after terrorists slammed airliners into the World Trade Center and the Pentagon, David Horowitz, as disoriented as the rest of us by these cataclysmic events, discovered that he had prostate cancer. As America declared war on terror, Horowitz began treatment, emerging months later with a "reprieve" from his disease. He brought back with him this remarkable book of hard-won insights about... *The End of Time*
