Description :

PDF-a0ff8 | Recent scholarship has challenged the assumption that military commanders during the First World War were inflexible, backward-looking and unwilling to exploit new technologies. Instead a very different picture is now emerging of armies desperately looking to a wide range of often untested and immature scientific and technological innovations to help break the deadlock of the Western Front. Nowher... *The French Army's Tank Force and Armoured Warfare in the Great War: The Artillerie Spéciale (Routledge Studies in First World War History)*
