Description :

PDF-347c6 | High Price is the harrowing and inspiring memoir of neuroscientist Carl Hart, a man who grew up in one of Miami's toughest neighborhoods and, determined to make a difference as an adult, tirelessly applies his scientific training to help save real lives. Young Carl didn't see the value of school, studying just enough to keep him on the basketball team. Today, he is a cutting-edge neuroscientist... *High Price: A Neuroscientist's Journey of Self-Discovery That Challenges Everything You Know About Drugs and Society (P.S.)*
