Description :

PDF-ca179 | There have been numerous books on genocide in the last twenty years, but To Kill a People offers a different approach. It is one of the few books on genocide expressly written for use in the college classroom. The book includes four case studies--the Armenian, Nazi, Cambodian, and Rwandan genocides--and substantive introductory and concluding chapters that contribute to two key debates within geno... *To Kill A People: Genocide in the Twentieth Century*
