Description :

PDF-df2a7 | Mountain Men were the principal figures of the fur trade era, one of the most interesting, dramatic, and truly significant phases of the history of the American trans-Mississippi West during the first half of the 19th Century. These men were of all types—some were fugitives from law and civilization, others were the best in rugged manhood; some were heroic, some brutal, most were adventurous, an... *1: Mountain Men and the Fur Trade of the Far West*
