Description :

PDF-4b88c | Bryan takes us back with him to his early days in school when little if anything was known about Attention Deficit Disorder, a neurobiological disorder that would go undiagnosed well into his adult life, thus creating numerous hardships for him, both in school and at home. He strived to do well in school and please his parents, but he couldn't. He was always daydreaming and distracted and had trou... *One Boy's Struggle: A Memoir: Surviving Life with Undiagnosed ADD*
