Description :

PDF-d9ab5 | Adelaide Cromwell's pioneering work explores race and the social caste system in an atypical northern environment over a period of two centuries. Based on scholarly sources, interviews, and questionnaires, the study identifies those blacks in Boston who exercised political, economic, and social leadership from the end of the eighteenth century to the middle of the twentieth. The central focus is... *The Other Brahmins: Boston's Black Upper Class, 1750-1950*
