Description :

PDF-2d536 | This is a story about an adoptee's search for his biological roots that lasted over 25 years. It relates how one little piece of information led to another, and then another, and how there eventually seemed to be no end to the amount of doors to open and things to find out. Yet there also seemed to be no end to the amount of brick walls, dead ends, and stumbling blocks in his path. The story of hi... *Scattered Siblings: An Adoptee's Search For His Biological Roots*
