Description :

PDF-dda40 | James Risen has broken story after story on the abuses of power of the Bush administration. From warrantless wiretapping to secret financial data mining to the CIA's rogue operations, he has shown again and again that the executive branch has dangerously overreached, repudiated checks and balances on its power, and maintained secrecy even with its allies in Congress. In no small part thanks to R... *State of War: The Secret History of the CIA and the Bush Administration*
