Description :

PDF-06164 | With the moral stamina and intellectual pose of a twentieth-century Titan, this slightly built, duitful, unassuming chemist set out systematically to remember the German hell on earth, steadfastly to think it through, and then to render it comprehensible in lucid, unpretentious prose. He was profoundly in touch with the minutest workings of the most endearing human events and with the most contemp... *If This Is a Man and The Truce*
