Description :

PDF-eda5f | The past quarter-century has seen a number of biographies and anthologies on women travelers but to date there has been little comprehensive reference work done on the travelers themselves. Some of the women were eccentric, many were very adventurous, some were in search of a different world... British women make up the largest portion of the book's focus--these particular adventurers being backed... *Women Adventurers, 1750-1900: A Biographical Dictionary, With Excerpts from Selected Travel Writings*
